integrating bSpace into student services

Eva Wong
Program Coordinator, Student Advising and Events
Blum Center for Developing Economies
Stay Day Conference - Friday, June 18, 2010

How do you and your respective department disseminate information to students?
Objectives

• To recognize the usefulness of bSpace as a student services tool
• To understand how bSpace can streamline the student experience in navigating through program information

What is bSpace?
• Project Site vs. Course Site
• A look into academic departments using bSpace:
  – Global Poverty and Practice Minor
  – Psychology
  – Economics
Getting Started in bSpace

- **8/23/10 2:00pm**
- **8/24/10 2:00pm**

What is bSpace and what can it do?
Orientation to bSpace platform
Create a course site
Learn basic tools for managing your site
