Proposal Details

- Proposal needs to tell the story
  - why are we using these models? L&D
  - what are our recommendations and why?
  - what we will need from Exec’s? release time for staff, best time for their operation
- Final edit of proposal so it is a narrative with single voice
Conferences

- What is a conference? Include a sample agenda
- Resources needed
- How many? - dates/times/locations
  - How many conferences and walkthroughs are needed to widen the circle?
Conference Attendees

● Number of attendees - goals by AVC area, department, position type, etc - using consultant recommendations. For example:
  ○ Goal of 500 staff; 100 student staff attendees? Why? (GPTW rec 10-15%)
  ○ 1 conference per AVC area? 2 for RSSP? Better to mix departments?
● How will attendees be selected?
Visual Timeline
